International Wine and Culinary Journeys

Small Groups, intense fun

A program for Wine Enthusiasts and Foodies with a sense of adventure! Culture, History, UNESCO World Heritage Sites, Farm to Table, Homestead cooking, and traveling “off the beaten path” are guaranteed. You join with likeminded travelers, and meet the Farmers, Food Artisans, and Cellar Masters right in their back yard or homes. Cooking classes, and other work shops are offered along with vineyard strolls, ancient cellar visits, Cathedrals, Medieval Town Squares, and cultural immersion. On your VIP tour you’ll encounter tight knit villages, small boutique wineries, and eateries. We leave the commercialism behind and sit around the table with the locals, enjoying their wines and regional dishes. You travel in a small luxurious motor coach and rest in comfortable hotel rooms with private baths while marveling about this unforgettable journey.

Romantic and Picturesque Germany

You begin your tour in the oldest city of Germany - Trier, started by the Celts, and conquered by the Roman Empire thousands of years ago. From there we'll cruise the rivers Mosel and Rhine, sleep like Royalty in Castles, and enjoy the culinary delights of the regions while mingling with the Locals.

After your airport pick up, hotel transfer to your riverside Schlosshotel and check-in, you may discover the castle gardens, take a guided stroll along the river and get acquainted with your fellow travelers, ending this day with a scrumptious dinner.

We stay 3 nights at our Schlosshotel and visit nearby VDP Estates that produce award winning still and sparkling wines. Enjoy a tasting in their ancient cellars and lunch with the proprietors. There is time for guided historical tours and sightseeing; hiking, biking and cooking class options, along with some free time.

From the Mosel Valley, you board your ship for a cruise toward the Rhine River Valley to check into our medieval Castle Hotel perched above the Rhine Valley—after an interesting stop at the ruins of Ehrenbreitstein along the way.

Visits to Koblenz, Bacharach, and St Goar highlight our times in the MittelRhein, before setting our sights on the Kaiserdom of King Charlemagne in Mainz, and the cloisters and monasteries of the Rheingau Region.

Your adventures include rides on boats, ferries, gondolas, and chair lifts from all of which you'll take in breathtaking sights along the way.

We conclude our last 3 nights in an aristocratic Hunting Lodge, from where we hunt for cultural and culinary treasures before saying "Good Bye" to Germany.

We promise an unforgettable Experience with memories of Royal Damsels and Knights of Shining Amour.
